Safety First .....

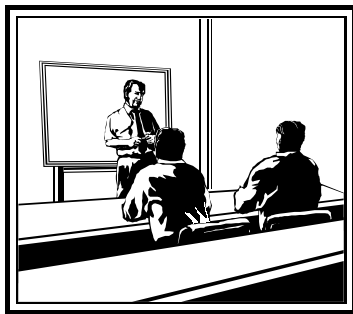

Let us not forget, safety glasses are to be worn every day, all day. Eyes are not replaceable and injuries can be extremely painful. The safety glasses must meet the ANSI Z87.1 requirements. Your sunglasses (Bolle or Oakleys) do not meet these requirements and do not have the Z87.1 stamp of approval. Be aware and be safe.

# TRAINING

Knowledge is power. Continuing education and training are vital to personal growth. Make a habit of turning every opportunity into a learning experience. Our Training Center is dedicated to the DDC employee and provides free education and training. We encourage each one of you to take advantage of this opportunity. Growing and learning with the company is an essential part of your success and advancement with DDC.

Greg Bohney, our Training Superintendent, invites each one of you to attend various training classes and looks forward to assisting with your personal development.
